## Team Selections

Players will be evaluated over a minimum of two practice sessions for skating, passing, shooting and game sense.

The evaluators will be 3 –5 volunteers with no children playing at the level they are assessing.

Injured or absent players will be assigned to a team after two assessments. Team numbers will be balanced as evenly as possible unless assessed skill level dictates otherwise.

All teams will be formed based on BC Ringette Association / Lower Mainland Ringette League rules. Where the association has enough players to field more than 1 team in any tiered age division (U14-U18), they will seed them in the following order:

2 teams; 1 higher-caliber team, 1 lower  
3 teams: 1 higher-caliber team, 2 lower

Non-tiered levels U12 & below will be assessed/divided as evenly as possible based on LTAD and the BCRA / LMRL policies in place for 2011/12.

## Practice, Games, Equipment & Responsibilities

It is the responsibility of **ALL** parents/guardians to participate fully in team and association supported duties including getting your child to practices & games at the designated time assigned by the coach. There is generally one practice per week plus a game. Most games are played in the Lower Mainland area but some may be in a division with a team in Victoria or Nanaimo. As Ringette is a team sport "Every" player plays an important part on their team and participating in practice is just as important as being at the games.
